

Center for Continuing Professional Education

Fall Symposium

Saturday, October 16, 2021

8 am - 4:15 pm

Maximize your company investment and visibility by becoming a valued corporate partner.

The Center for Continuing Professional Education at UC Davis School of Veterinary Medicine welcomes the opportunity to collaborate with industry to deliver state of the art continuing education opportunities to a national and international audience of veterinarians in both general practice and specialty practice, as well as registered veterinary technicians.

This annual flagship program will feature small animal and equine tracks, as well as a track dedicated to veterinarian technicians. This LIVE and INTERACTIVE event will include lecture and discussion topics such as:

- Cardiology - Dr. Marisa Ames
- Fundamentals of Interpreting Dental Radiographics - Dr. Illana Halperin
- Telemedicine for Veterinarians - Dr. Lori Teller
- Pathophysiology & Management of Calcium Disorders - Dr. Dennis Chew

We sincerely thank you for your interest and support of our programs! If you don't see a level that fits the needs of your organization, please reach out.
