Meet the Specialist with Dr. Carrie Palm

Managing the Triple Threat: CKD, Proteinuria and Hypertension

On-site | August 25, 2022

The Center for Continuing Professional Education (CCPE) at UC Davis School of Veterinary Medicine leverages the rich expertise of our faculty experts and other leaders in the field, to deliver dynamic programming that attracts participants across the country and globe. This broad reach, combined with the flexibility of the virtual world, ensure increased availability and access to our programs, as well as additional exposure for our partners.

CCPE relies on the educational grants for our corporate partners to provide state the art continuing education opportunities to veterinarians in both general and specialty practice as well as registered veterinary technicians.

We welcome the opportunity to collaborate with industry, and sincerely thank you for your interest and support of our programs.
